

I would like to make the following comments regarding the services of K-LOVE radio:

1. I live in the country side where there is a strong church presence. K-LOVE serves me as a resident of my local community by providing me with services I can benefit from that are an extension of the services provided by my church.
2. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, the youth out here in Ramona would not benefit from the positive and moral influence of K-LOVE's music and messages.
3. I believe that the service provided by K-LOVE is in the public interest because K-LOVE promotes music that is positive, healing, encouraging, clean and moral. Parents do not have to worry about "seven-second delays" when they have the radio tuned to K-LOVE in their homes.
